## Solana's Wildest Meme Coin

Contact: [info@frogzillaofficial.com](mailto:info@frogzillaofficial.com) | <https://frogzillaofficial.com>

### Project Overview

Frogzilla (\$FROGZ) is Solana's wildest meme coin, built for the community, by the community. No VC, no presale—just pure meme energy, fair launch, and transparent tokenomics. The project is focused on rewarding early holders, growing a massive community, and dominating the meme coin space on Solana.

Frogzilla aims for meme coin domination, organic growth, and maximum hype with a fair and transparent approach. The team operates as a community DAO with a focus on security and transparency. All liquidity is locked on Raydium, and all contract details are fully public.
